

- **Learned more in 2 days than in 6 months in 8(a) program. It was helpful having an instructor with real life experience as an auditor.**
 - **A+ Extremely satisfied! Liked the content, insights, and specific recommendations. Instructor knows his stuff.**
 - **Masterful teacher. Thorough, interactive, and dynamic. Very satisfied.**
 - **Much more than expected. Very, very good handouts. The very best I have ever been to. Very informative.**
 - **It is most difficult to simplify a complicated task. Mission Accomplished!**
 - **I liked explanation of FAR, how to look things up, explanation of pools, bases, and rates.**
 - **Excellent detail on indirect rates and accounting system. Truly worth the time! More!**
 - **Potential big bucks in savings. Very effective Instructor that made a difficult subject interesting.**
 - **So very applicable and necessary. Excellent examples and answer sheets. Materials are very relevant and better than most.**
 - **I did not know how much I did not know or needed to know. I was very happy with the workshop and would recommend it.**
 - **Precise and to the point. Good pace and clarity.**
